### **Lovi Love Designs provides jewelry for KUSI News San Diego**

May 2006 -- San Diego, Calif. Lovi Love Designs (LLD), a woman-owned, San Diego-based jewelry provider, was invited to KUSI News to support the *Mother's Day Makeover Special for Single Moms* which was anchored by Susan Lennon. Local chic hair salon, DK Hair, showcased the hottest styles for hair and makeup on various women wearing unique LLD necklaces, earrings and bracelets. The special aired every Thursday during the month of May.

Lovi Love Designs is owned by designer Stephanie Lovi who specializes in unique, handcrafted jewelry using precious and semi-precious stones, sterling silver and vermeil hardware and the finest silk threads and wires. LLD offers a variety of pieces, from necklaces to earrings and bracelets as well as unique items such as necklaces with a detachable locket to meet a woman's need for diversity.

Ms. Lovi has been featured on several network television and e-radio programs and her pieces have been highlighted in the nationally-recognized fashion magazine, *Elle*.
